Ms. Heidi Wiebe,  
Executive Director,  
Dehcho Land Use Planning Committee,  
General Delivery,  
Fort Providence, NWT

Dear Heidi,

In reviewing the Land Use Map for the Katlodeeche First Nation I noticed an omission, which I think has to be identified. The concern is in regard to the Buffalo River Delta area. Presently under DFO and the Great Slave Advisory Committee, there is a one-mile radius area around the Buffalo River Delta that has a commercial fishing restriction placed on it. I would like this to be identified in our Land Use Planning Map and ensure that the restriction is never lifted.

I can show you this the next time we meet.

Sincerely,

Roy Fabian  
Chief, Katlodeeche First Nation
