### **RE: Follow-up Overlap Meeting**

Dear Chiefs,

As per recent discussions, we would like to hold another meeting between your three communities to identify final zone boundaries, permitted uses and Terms within the southwest corner of the Dehcho territory. Given that you will all be in Fort Simpson next week for the DFN Leadership meeting, I have scheduled this meeting for March 10<sup>th</sup>, from 9 AM to 5 PM at the DFN office (boardroom) in Fort Simpson. We have arranged for a translator to assist us.

As per last time, please arrange for any Elders, harvesters or advisors you require to assist you to be present for this meeting, though we ask that you limit the number to 3 to keep the group size manageable. We will cover any additional travel expenses for you and your delegates to attend this meeting (accommodations, per diems, additional mileage for others to travel in for that day), but we do not pay honoraria for regular meetings. As we will also be traveling early next week for the Leadership meeting, we ask that your Band Offices arrange for your travel and accommodations and cover your delegates' expenses directly, and invoice us for the costs.

Please confirm your attendance by Monday March 6th (or talk to me Tuesday at the Leadership meeting). If you have any questions, please contact me at (867) 699-3164 or [hwiebe@dehcholands.org](mailto:hwiebe@dehcholands.org).

Sincerely,

Heidi Wiebe, Executive Director
