Dear Mr. Erasmus and Mr. Christian:

Dehcho Land Use Planning Committee Appointee

I am pleased to announce that effective immediately, Mr. Mark Warren, Associate Deputy Minister, will be the Government of the Northwest Territories (GNWT) representative on the Dehcho Land Use Planning Committee (DLUPC). Mr. Warren will replace Mr. Ron Antoine. I am confident that Mr. Warren's extensive experience will contribute to the successful completion of a DLUP that all parties can support.

Until Mr. Iveson returns from sick leave, Mr. Warren will also continue in his role as the Acting Chief Negotiator for the GNWT at the Dehcho Process Main Table negotiations.

Sincerely;

Gabriela Sparling
Deputy Minister
