Dear Ms. Wiebe:

Dehcho Final Draft Land Use Plan

Thank you for your letter of February 20, 2006 requesting a meeting with relevant Government of the Northwest Territories (GNWT) Deputy Ministers (DM) to review GNWT comments concerning the Dehcho Land Use Plan and to discuss next steps.

In response to a similar request received from Mr. Herb Norwegian on February 24, 2006, the Honorable Joseph L. Handley confirmed that Mr. Bob McLeod, Secretary to Cabinet, will co-ordinate and arrange for the DM's of the key GNWT Departments to attend a meeting with the Dehcho Land Use Planning Committee (DLUPC). The purpose of the meeting is to provide the DLUPC with a better understanding of the GNWT concerns and discuss a path forward toward a plan that meets the interests of all the parties.

Once again, I acknowledge the considerable efforts of the DLUPC and pledge our commitment to working cooperatively on the finalization of this important document.

Sincerely,

For R. P. Bailey
Deputy Minister
