RE: Consultations on Deh Cho Land Use Options

Dear Mr. Heron,

The Deh Cho Land Use Planning Committee has recently completed consultations on our draft land use options, a major step in our planning process. At a recent Committee meeting, it was noted that we had incorrectly invited you to attend a public meeting in Yellowknife, instead of Hay River. We apologize for the oversight and wish to remedy the situation by offering your organization an opportunity to meet in Hay River to review the options and discuss our planning process.

The meetings during this round have consisted of a two hour presentation and broad discussion on the research to date and the next steps. All of the information presented can be found on our website at www.dehcholands.org. Key documents discussed include the Land Use Options Atlas, the Economic Model and the Q&A Report from our 2003 Information Sessions. You may find it useful to review these to get a sense of our work to date.

Should you wish to meet, please contact me at (867) 699-3164 or hwiebe@dehcholands.org and we can arrange a mutually convenient time and location.

Sincerely,

Heidi Wiebe
Executive Director
Deh Cho Land Use Planning Committee
