**Re: Public Meeting session**

Pehdzeh Ki First Nation Chief & Council would like to invite Deh Cho Land Use Planning to come to our community to hold a public meeting session with the membership for the evening of April 4, 2006 @ 7:00pm with stew and bannock for 6:00pm.

Chief & Council feel that the membership should be informed on our land issues surrounding Pehdzeh Ki.

Any questions please call.

Sincerely,

Tannis Cli
